RE: **23TP003 - 2023-2026 Transportation Improvement Program Amendment #23-004**

Attached for your approval is Amendment #23-004 to the 2023-2026 Transportation Improvement Program. This amendment adds a project in 2023 to purchase mobile retroreflectometers. A new regulation in 23 CFR Part 655 requires maintaining a minimum retroreflectivity on pavement markings. The mobile retroreflectometers will allow Region Traffic Engineers to monitor pavement markings to ensure that all pavement markings meet the standards.

The proposed change will add Item #0.11 in the RSI category in FY2023 at a cost of \$468,000 (Federal = \$421,000, State = \$47,000).
