MEMORANDUM

TO: Metropolitan Planning Organization Committee Members
FROM: Kip Harrington, Division Manager
DATE: November 29, 2023
RE: **23TP038 – 2024-2027 Transportation Improvement Program – Amendment #24-002**

Attached for your approval is Amendment #24-002 to the 2024-2027 Transportation Improvement Program. This amendment adds a project to move the intersection of US Highway 16 and Promise Road to incorporate the new ramps to be constructed as part of the US16/US16B/Catron Boulevard interchange project in 2026. This change results in an increase in funding to the State Highway Urban Systems category in 2024.

An additional Interstate Maintenance project to overlay a section of Interstate 90 between Box Elder and New Underwood has been added in 2024 to prolong the life of the pavement until this segment is reconstructed in the 2032-2035 time frame. This amendment adds funding in 2024 for the project.

A Pavement Preservation project was added to address joint and spall repair on a number of segments throughout the Rapid City area that were identified in the SDDOT Pavement Management System and by Rapid City Region Staff, resulting in an increase in funding in 2025.

The proposed changes are contained in the table below.

Project Category / Description	Project Year	Original Cost (millions)	Revised Cost (millions)	Net Change
State Highway System Urban Projects				
0.10 NH 0016(109)64 09NU US16E - Intersection of US16 & Promise Rd - Grading, AC Surfacing, Curb & Gutter, Storm Sewer, Lighting, Curb Ramps, Sidewalk	2024	\$0.000	\$4.481	+\$4.481
Total Change to Category				+\$4.481
