RE: **19TP009 – Coordinated Public Transit - Human Services Transportation Plan – Final Report**

Attached for your review and approval is the Final Report for the Coordinated Public Transit – Human Services Transportation Plan. This plan identifies the gaps and needs in transportation related to persons with disabilities, seniors, and individuals with low income.

This plan has been created through coordinated efforts by public transit providers, human service agencies, and key stakeholders, and meets the requirements of Section 5310 / Fixing America's Surface Transportation Act (FAST) which requires a locally developed, coordinated public transit – human services transportation plan for federal transportation funding. Participation in this plan enables private nonprofit organizations, states or local government authorities, or operators of public transportation to be eligible for Section 5310 funds.

Input for this plan came from several sources, including human service agencies, transit providers, senior center representatives, non-profit organizations, public meetings, online surveys, and the Study Advisory Team.

STAFF RECOMMENDATION: Staff recommends approval of the Coordinated Public Transit - Human Services Transportation Plan – Final Report.
