FROM: Kip Harrington, Planner III

DATE: June 2, 2020

RE: **20TP021 – Acknowledge the 2021-2024 Transportation Improvement Program – Draft Report**

Each year the Rapid City Area Metropolitan Planning Organization is required to develop the Transportation Improvement Program (TIP). This is a four-year priority list and financial plan for highway, transit and intermodal projects. The TIP is intended to serve as a fiscal management tool to assist state and local agencies in matching transportation needs with resources.

The TIP development, review, and approval process includes participation from affected public agencies, citizens' groups, private transportation providers and representatives from various transportation entities. Attached is a copy of the 2021-2024 Rapid City Area Transportation Improvement Program – Draft Report.

STAFF RECOMMENDATION: Staff recommends acknowledgement of the 2021-2024 Transportation Improvement Program – Draft Report.
