## MEMORANDUM

TO: Metropolitan Planning Organization Committees

FROM: Kelly Brennan, Planner II

DATE: September 28, 2020

RE: **20TP032 – South Dakota Department of Transportation Transit Safety Performance Measures**

On May 27, 2016, the final rule for statewide and metropolitan transportation planning was published, based on 2012's Moving Ahead for Progress in the 21<sup>st</sup> Century (Map21) and 2015's Fixing America's Transportation System (FAST) acts. This included a requirement for Metropolitan Planning Organizations to either accept and support the State targets for the Transit Asset Management Plan and the Public Transportation Safety Plan or to develop its own safety targets. Rapid Transit System has opted to support the Public Transportation Safety Plan and Transit Asset Management performance measures established by the South Dakota Department of Transportation (SDDOT). The goals for the Transit Asset Management Plan start on page 2. The safety performance measures for the Public Transportation Safety Plan start on page 6.

**STAFF RECOMMENDATION: Staff recommends approval of Rapid Transit System's support of the South Dakota Department of Transportation Transit Safety Performance Measures.**
