RE: **22TP020 – 2023-2026 Transportation Improvement Program – Final Report**

Each year the Rapid City Area Metropolitan Planning Organization is required to develop the Transportation Improvement Program (TIP). This is a four-year priority list and financial plan for highway, transit and intermodal projects. The TIP is intended to serve as a fiscal management tool to assist state and local agencies in matching transportation needs with resources.

The TIP development, review, and approval process includes participation from affected public agencies, citizens' groups, private transportation providers and representatives from various transportation entities. Attached is a copy of the 2023-2026 Rapid City Area Transportation Improvement Program – Final Report.
